

SHIPPING CONTAINERS

Adorn your Camel Transport with these Camel-sized shipping containers. Available in a wide variety of colours -- choose a different one for every occasion! Even if you don't have a selection of transports, these containers will add some local colour to your battlefield. Whether jungle base, Badlands outpost or major port, the wheels of commerce never stop turning.

Assembly instructions

1. Print out on cardstock
2. Score all fold lines with a non-sharp tool.
3. Cut out container. For a more polished look, colour or paint the edge of the cardstock to avoid unsightly white seams.
4. Fold into a box shape and glue along the tabs. Paper modelling doesn't get any easier than this!
